WORK OF NEW CLUB

MEETING IN PROGRESS
HALL LAST EVENING

Number of Club Home Sites Discussed
-- Best one Seems to Be Dr. Herbert's Home.

A meeting for the young men interested in the new club was held in Progress hall last evening. Prince Joseph Kalaianalele presided. There were in the neighborhood of thirty present and reports from the various committees appointed at the last meeting, were heard.

The committee on location of club house reported that investigation had been carried out with a view to the club owning its own club house. However, the committee was not yet ready to report.

The committee on constitution and by-laws reported that it could not take any action until the amount of the capital stock and purposes of the organization had been ascertained.

There were four club sites reported. One was the Edmund Hart place on King street, opposite the Altheim home. No price had been obtained. Another was the home of Dr. George Herbert on Alakea street, near Hotel. This property is 82x122 feet and contains an area of 7605 square feet. The price is \$22,500. This included the dwelling which the committee stated could be used for a club house with but few changes. The alterations could be made for about \$500. All but \$7000 of the purchase price might remain on mortgage for one year.

The third site reported on is a piece of land owned by Henry Waterhouse on Adams lane, which has been offered for \$18,000. Mr. Waterhouse has offered to help the club and it is probable that should the young men decide to accept the offer, he would make quite a cut.

The fourth site is the residence of Dr. Alvarez on Emma street, opposite the church. The price of this place is \$30,000. An offer has also been made of the property known as Helen's Court, the price being \$25,000.

It was decided by the club to go on with the work of enrollment. After this is done a stock company will be formed and ways and means for the new club will be provided. On motion of Harry Armitage, it was decided to capitalize at \$25,000. However, this is subject to change as nothing definite has yet been decided on with reference to organization.

A committee was appointed on ways and means, to take entire charge of the project and to report at a subsequent meeting. On this committee the chairman appointed Samuel Parker, chairman; Alec Robertson, J. H. Boyd, Harry Armitage, Prince David, C. H. Dickey and Dr. Herbert.

On the committee on enrollment were appointed William Blaisdel, Carlos Long and Prince Cupid.

The meeting adjourned subject to the call of the chairman.

YIP HAD TO PAY.

There was rather an interesting case in Judge Dickey's court yesterday afternoon. J. E. Fullerton, the collector, had a note of \$210 against Lam Yip, which he could not collect and so attempted to collect through the medium of the court.

The note was originally the property of F. M. Brooks and by him it was assigned to the plaintiff. It seems that it was the balance of the \$1500 fee paid to the attorney in the divorce case of Lam Yip vs. Lam Yip. Judge Dickey, after hearing the evidence, awarded judgment for the plaintiff. Gill & Farley, attorneys for Lam Yip, made no defense.

EXCITEMENT AT PARK

FINE TIME ARRANGED FOR HONOLULU PEOPLE

Athletic Events in Connection With Boys' Brigade Field Day
--Great Records Will Be Made.

This afternoon at 2 o'clock the great sporting event of this spring, the Boys' Brigade field day, will take place in Kapiolani Park. Many reverses have been met with in the arrangements for the event. Bad weather interfered to such an extent that the event had to be postponed, but the committees in charge stuck manfully to the task they had begun and carried their plans through, despite the drawbacks.

As a reward for their energy, they will probably witness today such a field day as has seldom been seen here before. The track is reported to be in excellent condition, five clubs have entered teams, some of them very strong ones, and there certainly ought to be an immense crowd of spectators to witness the sports.

For those who are not much interested in sports, several attractions have been arranged. Kappelmeister Berger will be on the spot with the band to render sweet music and the effect of Princess Kawanakoa's crowning of the victors with Hima leis will undoubtedly be very pretty. The princess will occupy an especially arranged and decorated section of the grand stand with her suite which will consist of Miss Alice Campbell, Miss May Hamon, Miss Anita Christal and Miss Rosie Canha.

The officers of the day will be as follows: Athletic Committee—Clifton J. Tracy, Marion A. Cheek, W. W. Harris, E. B. Clark.

Captains—Kanehameha, U. Lemon; Artillery, Lieut. Behr; Y. M. C. A., F. Young; Punahou, W. Williamson; Maile Hima, P. Benson.

Referee—F. Young. Marshal—C. F. Chillingworth. Clerk of Course—J. L. Torbett. Starter—W. H. Habbitt. Scorer—D. L. Conkling.

Timekeepers—F. J. Krueger, A. Waterhouse, H. M. Ayres. Judges at Finish—Lieut. Behr, P. Morse, David W. Anderson.

Field Judges—Lieut. Jones, A. Judd, Abram Lewis Jr.

Announcer—C. F. Schermernhorn. There will be no individual prizes, but the winning team will be presented with an elegant, silver cup. Three points will be given for first place, two for second and one for third. The relay race will be worth ten points for the winners but no points will be given for second place.
